RE: Institutional History - Research First Draft

Dear Ms. Blewett,

At a regular meeting of the Authority held on March 14, 1984 the Commissioners voted to appropriate funds for the research and first draft of an institutional history of the Lowell Housing Authority.

The Boards action will allow you and Julie Leney to begin at your convenience.

As I mentioned in our previous conversation, the Authority in addition to paying the "stipend" for the researcher will supply a work area and assist in obtaining documents and interviews.

If you have any questions please feel free to contact me.

Sincerely,

James M. McCarthy
Executive Assistant
